

NORTHWEST ENERGY EFFICIENT ENERGY STAR® MANUFACTURED HOME PROGRAM (NEEM)

Eligibility: This Bonneville Power Administration (BPA) program is available to owners of new NEEM certified Energy Star manufactured homes that have an electric heating system. The home must be sited within Central Electric Cooperative, Inc. (CEC) service territory. Note: *BPA programs are subject to change without notice.*

1. Purchase a certified NEEM Energy Star Manufactured home.
2. Submit the completed Rebate Application form (on the back of this page) with the Energy Star Certificate of Compliance to CEC. The Energy Star certificate is typically enclosed with the paperwork that is shipped with the home to the site.
3. Once the certification for the home has been verified, a CEC Energy Specialist will contact you to make arrangements for an on-site inspection of the home.
4. Once the house passes the inspection the rebate check* will be issued to the owner listed on the application.

Additional BPA / CEC Rebates

Heat Pump (contact CEC, pre-approval required)	\$600.00 - \$1,200
Energy Star Clothes Washer (electric water heater required)	\$ 60.00
Energy Star Refrigerator	\$ 25.00

Details on these (and other) conservation programs are available on our website, <http://www.cec.coop>, or by calling the office at 541-548-2144.

* Water heater and Energy Star dishwasher rebates are included in the \$800 home rebate.
