

I am applying for Central Electric Cooperative's automatic electric bill payment option using a Visa or Mastercard Credit Card. I understand debit cards may not be used. My payment will be automatically posted on the due date of my bill, or next business day if the due date falls on a weekend or holiday. For my convenience, I will continue to receive a monthly electric billing statement with the words "Credit Card" in the bottom right portion of the payment stub. This verifies my Credit Card will be charged the amount due.

For my safety and security of my credit card information, CEC requires me to contact the Customer Service Department by phone with the credit card number I choose to use for this program. I understand I must sign and return this form to CEC and call with my credit card information. CEC will then arrange for my monthly bill to be paid automatically via a charge to my credit card.

Authorization Agreement:

CEC Customer Name (Please Print): _____

I (we) hereby authorize Central Electric Cooperative, Inc. (CEC) to automatically charge my (our) credit card the amount due on my (our) monthly billing statement for the electric account number(s) I must give to CEC. I (we) authorize the Credit Card Company to accept such charges initiated by CEC. The charge will be made to my (our) credit card on the due date indicated on each billing statement.

This authorization is to remain in effect until CEC has received written notification from me (or either of us) of termination in such time as to afford CEC a reasonable opportunity to act upon it (30 days).
